NEWS AND NOTES FROM THE GENERAL SERVICE OFFICE OF A. A.

Vol. 16 No. 5

Literature -- Help for Every A.A. Member

A.A. travelers stop by or write to us about trips they have taken across the country. Too often they tell us that no A.A. books or pamphlets are available at the meeting place.

And, when chatting with members at Conventions and Conferences, it is often brought out that some of them are unaware of the fact that there is such a great amount of help available through literature for so many kinds of needs.

These books and pamphlets are all produced with the aim of helping alcoholics to recovery and it is good for all of us to know about them and to make use of them, whether we're new or old.

There are *five A.A. books* and *38 separate pamphlets*, a sharing of all that we A.A.'s know about our fellowship. For descriptions of these books and pamphlets, discount packages, and their prices, do write in for an order form. There is a separate one for literature available in other languages.

We hope that those who have service jobs in your group are working to see to it that printed help is always there whenever anyone who needs it reaches out for it.

The A.A. Grapevine, too, can be a big help in carrying the message and sharing experience, strength and hope; you can subscribe by writing to P.O. Box 1980, Grand Central Station, N.Y., N.Y. 10017.

You Have Asked For It

All of our literature has come into being because there is an expressed need. This literature, as approved by the General Service Conference,

* is not tied up with any religious viewpoint.

* does not endorse (or oppose) any particular scientific, medical or expert professional theory.

* is not just local or one man's changeable opinion. It represents
(cont'd p. 3)

A NOTE OF THANKS

"The messages of love, sympathy, and understanding which have come to me in remembrance of Bea from A.A.'s all over the world have been of great help. I am very grateful.

Dr. Jack"

G.S.O. NO CENSOR

There are times when some of us get pretty annoyed with some newspaper story, magazine article, radio or TV program which we feel fails to present A.A. the way we think it should. Sometimes the Anonymity Tradition is broken or statements made about A.A. which we feel are not true.

At such times, some members tend to hold G.S.O. responsible. We'd just like to remind all hands that G.S.O. does not support, sponsor, endorse or approve *any* stories, articles, programs or films. Like A.A. itself, G.S.O. neither "endorses" or "opposes" anything outside A.A. Experience teaches us that it is much better for us to cooperate with those interested in showing our Fellowship in action at the public level. Better we should give them accurate information than for them to go out and get what they can (frequently inaccurate) on their own. When our opinion is requested, we give it. Sometimes we give it anyway — but always politely. Sometimes, our suggestions are followed; sometimes they are not.

But we do want to emphasize that it is not G.S.O.'s function to tell anybody in or out of A.A. what they can or cannot do (and a very good thing, too! Put a bunch of alkies into a position where they can start dictating to other people and they would all be drunk within six months).

FINNISH A.A.'s HOST TO U.S. STAFF MEMBER

A.A.'s in Imatra, a small Finnish town six miles from the Russian border, this year entertained 600 A.A.'s and their families, and Beth K., G.S.O. staff member from New York, at the annual Finland A.A. convention held the Easter weekend.

It was the first time a North American staff member was ever "imported" for an A.A. convention overseas. (Host committees customarily pay expenses of invited G.S.O. visitors.) Beth had just "rotated" into the overseas service when the invitation came from Veikko, G.S. office manager in Helsinki and world service delegate.

Travelling by both boat and car, accompanied by two Finnish A.A.'s, Beth also visited A.A. in Sweden and Norway, including the Oslo G.S. office and toured both Swedish and Norwegian clinics for alcoholics. She was interviewed extensively at a Helsinki press conference, where 17 press and TV representatives were present.

When A.A. families arrived by busloads for the Imatra convention, there was not sleeping room for all until mattresses were spread out on the floor of the local school house, Beth reported.

She said everyone was extremely friendly, enthusiastic, and hospitable.

She was asked to talk at the convention about how A.A. cooperates with other alcoholism agencies, and about Public Information work. Finnish A.A.'s wanted most to hear about Bill W.'s work in setting up the General Service Conference structure! The newly elected World Service delegate from Finland, Kalervo S., translated for Beth.

"I now know from first hand that no matter where we go, we certainly have a warm home and family in A.A.," Beth said. However, she insists she declined an invitation to the Finnish ritual from ancient times – a sauna bath.

INTERNATIONAL DEAF GROUP

Many people don't realize that we have a correspondence group for the deaf. It is listed in the first part of the *World Directory, Part I*. Write G.S.O. for contacts.

When Anonymity Becomes Secrecy, It Creates Real Problems

At least one letter a day brings us a literature order – a donation – or a call for help signed simply, "John D." or "J.D." Frequently no address, even. Just initials and a city.

Don't you think that's carrying anonymity too far? Often we can't reply at all. If we write to "Jane D.," Chicago, it comes back, of course.

Envelopes in the mail are not, are they, the same as newspapers, magazines, radio, films or TV. Don't you imagine that no last name (just an initial) in an address arouses curiosity if not suspicion?

Don't you think we can trust each other with our full first and last names, and addresses, at least

CONGRATULATIONS

The following letter sent from a trustee-candidate who was not elected to the candidate in his area who was, reflects, we think, the A.A. spirit of service in the nicest kind of way, and we want to share this with you:

"Dear _____,

Congratulations and best wishes on your election to the Board of Trustees of A.A. World Services.

If at anytime I can be of assistance to you, in any manner, please do not hesitate to call upon me.

Should you have occasion to be in _____ soon, it would be my pleasure to have you to luncheon or dinner to suit your convenience. I would then wish you well in person.

Warmest regards,

Sincerely yours in A.A.

"

within A.A., for A.A. purposes?

The General Service Conference this year agreed that the use of full names and addresses *within A.A.* could improve communications within our fellowship.

After all, as one departed old-timer used to say, if we aren't careful we'll get so secret we can't even keep in touch with each other – and that's the end for all of us.

ANONYMITY WALLET CARDS

A statement about anonymity in A.A. which has been approved by the General Service Conference is now available in wallet-card form. 100 for \$6.00

FIND MOST DOCTORS SUPPORT A.A.

The following is an excerpt from an article appearing in a recent issue of WOMAN'S DAY:

"...No matter what treatment they use, most doctors who deal with alcoholics still insist on one thing: Alcoholics Anonymous. Many won't even take a patient

unless he also joins A.A. To kick the habit, the ex-drinker needs the constant reinforcement and support that A.A. provides. Many have to go to seven meetings a week during their first difficult months. A.A. is the most successful alcoholism program in this country, and the psychiatrists who specialize in treating alcoholics are some of its strongest supporters."

LITERATURE

(from p. 1)

a broad concensus of 35 years of A.A. experience from all over the world.

* *does* bring into any one member's life richer insights and a broader range of A.A. opinion than any one member or group could produce.

What Literature Does

Time after time the sense and encouragement in A.A. literature has helped a slipper sober up, revived a dying group, or brought a new group into being. It provides many specialized kinds of help for particular members, on specific problems, such as —

- special help for younger or newcomer A.A.'s;
- special help for women alcoholics;
- special help on such problems as pills, anonymity, slips, doctors, group problems, money, the family, sponsorship, etc.
- special help for prisons and hospital inmates;
- special help for people who are not big readers, who are blind or deaf, or whose English is limited;
- special help on certain A.A. jobs such as treasurer, G.S.R., refreshment and program chairman, etc.;

STUDENT'S GUIDE

The new "Student's Guide to Alcoholics Anonymous" is now available and is priced at .05. Every year we receive many hundreds of letters from students who want to know more about the program of A.A. This Guide is designed to answer their questions in a simple and easily digested manner.

- special help for employees, clergymen;
- special information for newspapers, radio and TV;
- and many, many more.

It is our job to make all this A.A. help as widely available as possible, at the lowest possible cost. There are color films, wallet cards, the group handbook, bulletins, plaques, parchments, comic booklets, TV and radio announcements, tapes, display racks and A.A. directories. Not to mention the free Guidelines:

- 1) Alcoholic Rehabilitation Centers
- 2) Central Offices and Committees
- 3) Clubs
- 4) Conventions, Conferences, and Area or Regional A.A. Get-togethers
- 5) Courts
- 6) Institutional Committees
- 7) Public Information Committees
- 8) Relationship between A.A. and Al-Anon.

INSTITUTIONS CORRESPONDENCE SERVICE

We are now setting up this new service which we hope many of you will become interested in. It will consist of A.A. members on the outside who are interested in corresponding with A.A. members or groups in institutions. Please bear in mind that it would only be "letter writing" between A.A.'s and not helping members to look for jobs, obtain paroles or anything other than A.A. sharing.

Here at G.S.O., we will have a list of the outside A.A. members who are willing to be in correspondence. Whenever an A.A. member or a group in an institution wishes to correspond, all you have to do is write to G.S.O. and we will give your name to the members on the list.

For those of you who wish to join the Institutions Correspondence Service, it will be most rewarding, as many of you know by serving on the Institutions assignment. You will receive the Institutions Bulletin three times a year and the Directories for A.A. Groups in Hospitals - Rehabilitation Centers and Correctional Facilities.

INSTITUTIONS DISCOUNT PACKAGE

We have changed the contents of the Institutions Discount Packages. Pamphlets now included in addition to the others are: "Problems Other Than Alcohol," "Why Alcoholics Anonymous in Anonymous," and "A Member's-Eye View of A.A." The price of the packages remain the same, men's, women's, hospital at \$3.00, jail at \$2.00.

We also have a new Institutions Discount Package in Spanish; the price is \$3.50. If you are interested in a breakdown of these packages, please get in touch with G.S.O.
