

# CPC/Public Information Service Cards

GSO has created one CPC and five PI Service Cards in digital template format which are available to download for local use.

The digital templates include two sections on the cards that allow for input of local contact information or a locally developed QR code to be placed on them by local AA members performing CPC and PI service.

1. CPC Service Card: Do you know someone with a drinking problem? We're here to help.

2. PI Service Card: Can't Stop Drinking?

3. PI Service Card: Contact A.A. Today.

4. PI Service Card: We Get It.

5. PI Service Card: We're Here to Help.

6. PI Service Card: Meeting Guide app.
