Convention tales:

I will never forget being one of the last people to arrive at the Opening Flag Ceremony/Big Meeting that Friday night. Nothing but the birth of my son has ever taken my breath away quite like that moment! When I walked into the arena and saw 50,000 plus alcoholics in one SPOT, I stopped dead in my tracks and just stood there and said "OMG!" over and over! I couldn't believe my eyes and just hadn't, until that moment, realized just how special this was going to be. At the end of the meeting when we closed with the Serenity Prayer, the hair on the back of my neck stood up, and I immediately felt the overwhelming presence of my Higher Power in that moment. The experience was so intense that I literally sailed on pink cloud for 6 months after that and as a result, have made going to the International Convention a priority ever since.
